

THE RESOLUTION PASSED AT THE MEETING OF THE GENERAL BODY OF THE SOCIETY FOR THE HISTORY OF SCIENCE KOLKATA HELD ON 13 NOVEMBER 2024 AT 05:00 PM AT BANARAS HINDU UNIVERSITY, VARANASI.

RESOLVED THAT the "Parthaprati Bandopadhyay Memorial Prize for the History of Medicine" shall be instituted to recognize the best paper presented on this theme at the forthcoming annual conferences of the society.

RESOLVED FURTHER THAT instead of publishing the newsletter twice a year as decided at the society's last executive committee meeting on December 4, 2023, the editorial board proposes to publish it once a year during the annual conference. This change would be more convenient for the board.

RESOLVED FURTHER THAT the third annual conference of the society will be held in collaboration with the Sherwani Centre for Deccan Studies and the Department of History at Maulana Azad National Urdu University in Hyderabad. The theme for this year's conference is "Science in the Deccan." The specific dates will be determined by the hosts, taking into consideration their university calendar.

Following a brief discussion on various matters, the meeting concluded with a formal vote of thanks delivered by the society's secretary.
